A screenshot of a Discord server interface. The sidebar shows various channels like '#dúvidas', '#algoritmos', '#beecrowd', etc. A message from the bot 'Loritta' welcomes a new member to the server. Another message from 'Loritta' says 'Você precisa concluir mais alguns passos antes de poder conversar.' (You need to complete more steps before you can converse.)

The Stack Overflow homepage displays the 'Top Questions' section. The first few questions listed are:

- OS exam questions (0 votes, 0 answers, 241 Bountied, 26 secs ago)
- Advice for Migrating Back end services away from firebase and noSQL (0 votes, 0 answers, 241 Bountied, 56 secs ago)
- How difficult would it be to make the Terminal.app support OSC 8 styled hyperlinks (0 votes, 0 answers, 241 Bountied, 56 secs ago)
- R data.table - How to join two tables based on partial string match (3 votes, 1 answer, 241 Bountied, 1 min ago)
- boto3 client running in VPC cannot access APIGateway AWS API (not a bug) (0 votes, 0 answers, 241 Bountied, 1 min ago)

The right sidebar includes sections for 'Hello World!', 'The Overflow Blog', and 'Featured on Meta'.
